

# How to Download Softball Photos

---

1. On the softball website, click on the photo you wish to download, or click on any photo.
2. The photo will open in flickr.com, a website where the photos are stored.
3. Click again on the photo you wish to download, which will open in a new page.
4. Click the downward facing arrow in the bottom right corner of the screen.
5. Select a size and the photo will download to your designated Downloads folder.
6. If login credentials are requested, use 'scgsoftballclub1' as the user name and 'Scgscmail\_85374' as the password.
