White League additions to Club Rules;

1. A minimum skill level (rating) of 3.2 or better is required to play in the White League.
2. Team managers are the **ONLY** persons that may challenge an umpire's call or ruling. In effort to expedite play, managers are limited to two challenges (or request for the second umpire's opinion) per game.

## 3. Club Rule IV. COURTESY RUNNERS

If a courtesy runner is on base and is due to bat, he/she is out at the base and comes in to bat for him/her self. If it is the third out, this batter is the lead-off batter at the next inning.

## 4. Club Rule V. PLAYER SUBSTITUTIONS, D.

A substitute player for a game will be chosen from the sub-list with the same rating as the missing player. If none are available, then a sub-list player with a rating number of .1 higher will be selected. If none are available, then a sub-list player with a rating number of .1 lower will be selected. If no sub-list players are available, a player from the regular roster will be selected using the same criteria.

Once a substitute player has been requested and the substitute player has been contacted and has confirmed to play, the substitute player shall play in the game regardless of the team players' change of plans.

## 5. Club Rule XV. Ground Rules, E., Home Runs

Each team is allowed one homerun per game until the opposing team hits a homerun. If the team that first hits a homerun subsequently hits another homerun before their opponent hits a home run, it will be a walk.
